Notes for homestays

1. According to Japanese government regulations, foreign residents are required to provide copies or photos of the passports of all residents, as well as basic personal information, for accommodation. Guests are requested to cooperate.
2. Guests are requested to remain quiet during their stay, especially after 8 pm, and do not make too much noise inside the house.
Smoking is prohibited inside and on the surrounding roads of homestays.
4. Garbage is classified into two types: combustible and non combustible, both of which need to be stored in transparent plastic bags in the room. Beverage bottles, plastic products, glass bottles and cans are non flammable; Kitchen waste, paper materials, and other combustible waste.
5. Please take good care of all facilities and installations in the house and use them reasonably. If any items or facilities are damaged due to improper use by the guest, the guest will be required to compensate.
6. Bedding and toiletries are provided according to the predetermined number of people.
Free house cleaning is generally not provided during check-in. If necessary, please contact customer service (fees will be charged based on actual circumstances).
7. Please do not use facilities marked as "Staff Only" indoors. Please do not use spare parts without authorization, as additional fees may apply. Please be aware.
